

## **2015 ACT REGIONAL REPRESENTATIVE REPORT**

We have held four quarterly regional lunches over the past year, including a Christmas Special and one to coincide with the RAEME History book launch, to which RAEME Apprentices visiting from interstate were invited.

Our numbers varied from 21-26 and have included partners, Ged Keene a UK Apprentice, our own President Harry Hogan, Treasurer "Spike" Pike and Harry Cole from Sydney, Frank Maloney from Brisbane and a number of Queanbeyan, South Coast and elsewhere diners.

At the last lunch it was unanimously decided that we would keep the Golden King Restaurant as our usual water hole rather than different locations each lunch. Our next lunch is our Christmas lunch with all the usual trimmings and additional door prizes. I would like to thank Harry Cole for the valuable help he gives me in collecting money and marking off diners as they arrive. The profit from the door prizes to the Memorial fund was about \$120.00

During this period the only hospital visit has been a recent one to Brian Windsor who fell while on the way from the Gold Coast to attend the National Reunion and was visiting his son in Canberra.

Happy Christmas to all and as usual an invitation is extended to attend our quarterly lunches; just let me know your email address.
